

# Community News

Avondale  
Ranch

**Spring 2020**

SAVE THE DATE

Friday, May 1<sup>st</sup>  
and  
Saturday, May 2<sup>nd</sup>

Just in time for spring cleaning! Even though Sendera has already had theirs (we try to coordinate the same weekend) we should have good traffic with new signage. And as a reminder, you are free to have a garage sale whenever you like and no permit is needed.

## COMMUNITY CLEAN-UP / DUMPSTER DAYS

Saturday, May 16<sup>th</sup> and  
Sunday, May 17<sup>th</sup>

Once again the HOA will be bringing in dumpsters to help you get rid of your bulk trash.

We will be doing the dumpsters a bit different this time around:

- All the dumpsters will be in one central location
- You will need to provide proof – driver's license - that you are an Avondale Ranch resident

Last year, there were several non-residents who filled our dumpsters with their garbage which meant a lot of folks did not get the opportunity to utilize them. To prevent that, we need to have "monitors" to police the dumpsters. Please help your neighbors by signing up for as many a one-hour time slots as possible so we can keep doing this – we don't want to pay for non-residents dump their trash

A separate email for the sign up will be sent list in a few weeks before the clean-up weekend.

## DO YOUR OWN CORNHOLE BOARDS WORKSHOP

Saturday, March 21<sup>st</sup> at 3:30 PM  
13201 Charlotte Ann  
(Keast's Shop)

Build your very own Corn Hole boards!

Please RSVP either through our Facebook group page or text Glenn Hazlewood (817-658-9325) so we can get enough material (plywood, boards, hardware, etc.) for everyone beforehand.

We will determine the cost of the material for a set based on the number of people and you can bring cash or Venmo the payment.

I am sure there will be plenty but feel free to bring you own cordless drills / tools when you show up to put your set together. FYI we will not be painting / staining the boards, just building.

If you don't want to build a set but want to supervise, please stop by!

## SOCIAL COMMITTEE UPDATE

Your friendly neighborhood Social Committee has been hard at work coming up with ideas for 2020. Some of the ideas will be planned (like the chili cook off) and some will be spur of the moment (driveway happy hour, fire pit Fridays, poker night, bunko, etc.).

Keep up to date on the spur of the moment events is through the Avondale Ranch Facebook page.

More information coming soon!

### Reminder:

All construction and property modifications must be approved in writing by the Architectural Control Committee (ACC) before work can begin. Forms can be found at:

[avondaleranchhoa.org/forms.htm](http://avondaleranchhoa.org/forms.htm)

We have asked for extra patrols due to excessive speed. Please be respectful of your neighbors and the neighborhood.
